The following conditions apply to Educational Resources Guarantee for ACT Intensive Class Participants:

1. Participants attend EVERY strategy and both timed practice test sessions (arriving on time, never leaving early)
2. Participants complete ALL required tests; the test assigned for each session must be completed BEFORE the next strategy session begins (random filling in the answer sheet blanks during class is nonproductive)  
Those scores are emailed to parents each week. You can track your student's progress (no surprises)
3. Participants must take the ACT on the Saturday following the final test prep class
4. Although ER's average score increase is 3 points, a 1-point increase is still an increase
5. If your score does not increase, you must fax a copy of your previous ACT score and your current ACT score to verify that the score did not increase. This data must be received no later than 2 weeks after you receive your scores

Having met these five qualifying conditions outlined above, you may reregister to take ER's Intensive ACT prep at no cost. That guarantee is student specific and cannot be transferred to any other individual.
