Educational Resources, in cooperation with Catholic elementary, private, and public schools, is offering a choice of summer instruction that provides course work/credit(s) to fulfill school requirements as well as summer reading, writing, and math instruction. **To receive credit and complete requirements, each student must demonstrate competency in the subject. All student work materials, quizzes, and tests are returned to the student's school for final acceptance. Classes are also open to students seeking greater understanding of subject areas—getting ahead!**

Experienced teachers • Specialized Instructional Materials • Homework Required

All classes are held at Educational Resources (1/2 mile east of 264/Brownsboro Road interchange).
